S4 Indicative Option Choice – 2019-2020

Name _____

Class _____

Please complete the form below after discussion with your parent/carer by selecting your choices from the Summary in your S3 Report. Any specific issues should be discussed with your Pupil Support Teacher.

You should choose English and Mathematics and you must take six subjects in total. Do not choose any subject more than once. Your choices are an indication at present of what you would like to take, but are not guaranteed or confirmed at this point. You may wish to express an interest in taking a vocational course at college from the list of courses. It would be helpful if you could indicate possible career options at this stage.
